## Sailing Lessons

**Marianna**

I'm very lucky because I live near the sea. This summer, I learnt how to sail with some of my friends. On the first day, we listened carefully to our teacher. The first time we got into our little boats, we were very excited. I did everything our teacher told us and I had a great time. On the last day, we had a race and I was first!

**Josie**

It was my mum's idea for me to have sailing lessons during the holidays. I wasn't sure at first, but I had a fantastic time! I had to travel on the bus every day, but I didn't mind. I made lots of new friends, and I learnt a lot about the sea. When the lessons finished, I was quite sad, but my new friends and I have decided to do it again next year!

**Emily**

I've always wanted to learn how to sail, so when my grandparents gave me some money for my birthday, I decided to spend it on sailing lessons. There's a sailing school which does lessons at the weekend, so I didn't have to wait for the holidays. I had ten lessons, but I know I still have a lot to learn about sailing, so I'm saving to have more lessons. I came second in a race we had, but I hope I'll win the next one!
